Parent Handbook

Welcome to Summer Daze!

This handbook has been created as a reference guide for both parents and children. It contains vital information and policies about our summer program. Please take the time with your child to read and review the handbook at least once before coming to camp.

As a caregiver of your child, Summer Daze Staff have a very important role in the growth and development of your child. Your children look to the counselors for guidance and as a role model for their emotional, behavioral and social growth.

Our Program

Summer Daze is a Summer Day Camp recreation program sponsored by both the City of Center Line and Center Line Public Schools. Our program is funded solely by user fees. Summer Daze is **not** a Day Care.

The success of our camp is centered on our excellent staff, and a wide variety of activities. At Summer Daze we provide traditional camp activities like arts, crafts, hands-on nature study, sports, games and group projects. Through hands-on activities and low counselor-to camper-ratios, camp builds self-esteem and provides an excellent opportunity for individual attention.

Three Rules for Campers to memorize!

1. **DO NOT LEAVE THE GROUP.** Children must not willingly leave the group at any time or under any circumstances. Any child who leaves the group will have their parents called for pick-up and asked not to return for the remainder of the week. This is a zero-tolerance policy.
2. **RESPECT.** Children must respect others, and understand that any bullying, racism, teasing, or otherwise mean behavior will not be tolerated. Disrespect of the Camp Center Line Staff or the City of Center Line property will not be tolerated.
3. **HAVE FUN!! MAKE MEMORIES!**

Summer Daze will operate rain or shine. We look at inclement weather as a wonderful opportunity to encourage resiliency by adapting to change, creative problem-solving, and approaching adversity with optimism. The safety of our campers is our first concern. However, all programs, including field trips, are subject to cancellation. In case of cancellation during the day to extreme weather the following procedures will be used.

There is also a weather radio located in the Rec. building to keep staff aware of weather changes. Camp Staff will not hesitate to take shelter at the first sign of dangerous weather. The designated emergency shelter is the Rec Center. If Camp Staff decides that an evacuation is necessary the following procedure will be used:

1. Call 911 if deemed necessary.

CHILDREN WITH SPECIAL NEEDS POLICY

AMERICANS WITH DISABILITIES ACT:

Summer Daze welcomes everyone to participate and enjoy programs and facilities regardless of race, color, religion, gender, age, national origin, or disability. Center Line supports the Americans with Disabilities Act and strives to comply with all aspects of the law to ensure barrier-free participation. Child care programs are required to make “readily achievable accommodations” for all children with disabilities. “Readily achievable” is defined as being “able to accomplish easily and without much difficulty or expense.” Programs are not required to make changes that would create an undue burden, which is most simply defined as creating significantly difficult or expense, or increasing safety or crime considerations.

OPEN COMMUNICATION:

Having prior knowledge about any special need, learning difficulty, ADHD, a recent loss or major change in the family or child’s life makes a tremendous difference in helping the Camp Staff provide the care and sensitivity to your child. It is important for parents to be open with the staff and work with the staff to create a positive camp experience for all children.

ASSESSING CHILDREN WITH SPECIAL NEEDS:

Child care programs are required to make individual assessment about whether it can meet the particular needs of the child without fundamentally changing the program. Upon registration parents will need to provide an existing individualized healthcare plan for the child that can be reviewed to determine whether Summer Daze can meet the needs of the child.

The individualized healthcare plan shall include the following as needed for the child and must be signed by the healthcare provider:

- Medication schedule
- Nutrition and feeding instructions
- Medical equipment or adaptive devices, including instructions
- Medical emergency instructions
- Toileting and personal hygiene instructions

CONSIDERATION BEFORE ENROLLING A SPECIAL NEEDS CHILD:

Please take in consideration the following limitations of our day camp program before enrolling your special needs child.

- Our program is held outdoors most of the day
- Daily program consists of physically active games and participation
- Staff is not trained to assist with toileting, feeding participants or Therapeutic Recreation
- Program does not have staff to child ratio to accommodate a child needing staff assistance one-on-one.
